Party Planning Guide

Choose your Date & Time

Party Overview

Style: Dance and Paint Party

Theme: Choose your theme

Location: We can come to your location OR we can host at our awesome studio space in Sheung Wan

Planning Guide

Fully engaged party entertainment should last no longer than 1 hour - kids can't/don't want to focus for much longer than that

If you want to extend the party activities consider adding one of add ons like glitter, bubbles or tattoos - these activities are fun and guided but allow much more down time or self directed engagement

At our venue we recommend Parties without food to last for 2-3hours and parties with food to last minimum 3 hours (ie. 4 hours venue booking). This allows for late comers and no need to rush any sections

We can help with sourcing, planning, set up and pack down so if you're feeling overwhelmed let us know and we will do our best to assist
