Party Planning Guide

Choose your Date & Time

Party Overview

Style: Dance and Paint Party

Theme: Choose your theme

Location: We can come to your location OR we can host at our awesome studio space in Sheung Wan

Planning Guide

Fully engaged party entertainment should last no longer than 1 hour - kids can't/don't want to focus for much longer than that

If you want to extend the party activities consider adding one of add ons like glitter, bubbles or tattoos - these activities are fun and guided but allow much more down time or self directed engagement

At our venue we recommend Parties without food to last for 2-3hours and parties with food to last minimum 3 hours (ie. 4 hours venue booking). This allows for late comers and no need to rush any sections

We can help with sourcing, planning, set up and pack down so if you're feeling overwhelmed let us know and we will do our best to assist

Things to consider

When booking MFL HQ

Things to consider when booking the space -

Do you want to have a meal during this time or do you have a special set up you want to instal? Studio booking of 3 hours may not be enough time for that to happen comfortably (remember you can only enter the space at the start of your booked time) so consider all of the things you think you will need and book your time accordingly.

Arrival/Set Up

How much time will you need to add finishing touches and to get settled before guests arrive?
Do you have outside vendors coming in? Do they have set up requirements or need set up time reserved for them?

What will it look like

Outside of our basic set up of soft floor mats, kids tables and chairs with colouring, a slide, lego and plastic toys what do you want in the space?
Do you want a balloon set up?
Do you want a personalised birthday banner?
Do you want/have personalised decor that you want to go up?
Do you want to do this yourself or would you like us to do this for you? (we require 3 weeks notice to personally decorate the space)
Do you need use of the lobby area as well as the studio and kitchen?
Do you need tables and chairs for adults?
Gift table?

Food

Do you have a cake that you would like to serve? Tableware (apart from glassware) is not provided so you will have to organise tableware
Do you want to have lunch or afternoon tea? We do not cater but we can recommend some great options!

Outside Vendors

Do you want to bring an outside vendor in, like an ice cream cart, a magician or some character actors? We are super welcoming to all other vendors but please factor in their individual requirements and the set up time they will require so that we can make sure they have everything they need.

Check out our list of outside vendors and caterers that we think are pretty special - [HERE](#)
