

# Little Movers Little Movers Little Movers

The Little Movers Camp is a tonne of fun, so grab some comfy clothes, a snack and prepare to have a blast!

Each day little movers will need to register, have their temps checked and hands washed, they will then be separated into their group.

Each day the Little Movers groups will rotate through 3 super fun activities. We will have 2 structured sessions and 1 free flowing session.

The **Stories & Free Play** session will be student led and is designed to let little ones explore self-directed learning. We will encourage exploration and conversation.

The **Movement & Dance Class** session is a super fun whole body experience where students will get to experience a Little Movers class. Each class will have kids stretching, learning and practicing dance skill & techniques, prop dancing and each week students will master a super fun choreography

**Arts & Crafts** sessions are designed for focus and creativity. Each craft will be a unique opportunity for our Little Movers to infuse their personalities into something physical and express themselves.

The **Sensory Exploration** sessions are an awesome adventure full of different sensations. This is time for kids to immerse themselves in an activity that encourages them to be present in the moment and explore what they like and dislike and how things make them feel. Think good old sticky, slimy, squishy, chilly fun!
